With respect to the sampling of the municipal wells question within the desk statement... I still suggest this language:

Ex. 5 Deliberative Process (DP)

Yes -- very much so...thanks, Bonnie and Yaz.

Question --

Ex. 5 Deliberative Process (DP)

So the desk statement's reference

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Correct? (It was reported as such this morning in the news...per the DNREC PR)

Mike/Bonnie --

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Please advise.

If we do so, is all else accurate? Please see below...and let me know ASAP -- thank you very much!
(This is going to garner a lot of attention in HQ because of the issue and questions have already started to come in...just a heads-up.)

EPA Draft Desk Statement...

Joan,

I confirmed with Yaz Yap-Deffler (Chief of the Site Assessment Branch) that **Ex. 5 Deliberative Process (DP)**
Ex. 5 Deliberative Process (DP) Pre-remedial reviewed the Site Investigation Report that
identified chemicals containing PFOAs. Pre-remedial **Ex. 5 Deliberative Process (DP)**
received the results on Tues, Feb 6.

Hope that helps.

Bonnie

Did we originally ask the state to sample the wells?
